GIGACER®

light

bianco in architettura

An innovative system of white porcelain stoneware materials, focused on light and on texture: **light**. It is the light that transforms these five textural surfaces, enhancing their expressive variety.

Un innovativo sistema di materiali in gres porcellanato incentrato sulla luce e sulla materia: **light**. È la luce a trasformare le cinque superfici materiche, esaltandone la varietà espressiva.

bianco in architettura

Lightness is our inspiration. The refined cotton weaving, the subtle transparencies and the soft mat white crystallize in the wall.

La luce è la nostra ispirazione. La raffinata tessitura del cotone, le sottili trasparenze e il morbido bianco opaco si cristallizzano nella parete.
