Tutti i decori Charme sono realizzati in tecnica semiarartigianale.  
I diversi smalti, utilizzati per la realizzazione degli stessi, hanno infatti caratteristiche di superficie particolari, pertanto ogni effetto di irregolarità è da considerarsi come caratteristica di pregio del decoro. Per la posa raccomandiamo una miscelazione random dei pezzi, per ottenere il risultato estetico migliore.

All Charme Decors are made using a semi-artisan technique.  
The various enamels used have distinctive surface characteristics, so any uneven effects are to be considered a sign of a quantity decorative element. When laying we recommend mixing the pieces randomly for best results.
